Dear Skyline Families

We would like you to know that Skyline MSA is with you in this unprecedented time.

We would like to inform you that we will deliver food directly to your homes as long as the school is closed. This is our commitment to you.

If you want us to not deliver food to your home, please let us know by calling the school.

Thank you again for being patient and allowing us to teach and serve your students during these challenging days.

Best Regards,
Abdirahman Abdulle
