**June Events and Highlights**

## **Last Day of School and End of Quarter 4**

The school year concluded on June 7, marking the end of Quarter 4. Students received their final report cards, reflecting their hard work and achievements throughout the year. The final day was filled with excitement and celebrations as students and staff looked back on a year of growth and learning.

## **Teacher Appreciation and Final Report Cards**

June 10 was the last day for teachers, allowing them time to finalize report cards and prepare for the summer break. This day also served as an opportunity to recognize and appreciate the tremendous effort and dedication of our teachers throughout the year. Their commitment to student success is truly commendable.

## **Summer Preparations**

As the school year comes to a close, preparations for the next academic year begin. Our administration and staff are already planning for a successful start to the new school year. Summer programs and workshops are also being organized to ensure continuous learning and development for our students.

## **Looking Ahead**

We look forward to welcoming our students back in the fall with renewed energy and enthusiasm. The upcoming academic year promises to be filled with new opportunities for learning and growth. Thank you to all parents, students, and staff for their unwavering support and dedication.

Warm regards,

The Skyline Math and Science Academy Team
