Decision:

V. Executive Directors Report

A. Enrollment update

Enrollment is currently at 302 students, a significant improvement compared to previous years. The school has made great strides in attracting students, and the success of the online program has played a key role in positioning the school favorably in the community.

B. Annual Report Draft

All requirements outlined in the PIP have been successfully met, and Skyline Math and Science Academy is excelling in fulfilling all mandated objectives. Recently, the Skyline Director submitted the completed requirements to Jim, the Authorizer Director, ensuring compliance and continued progress.

C. Other/General

On October 18th, Parent Night at Skyline Math and Science Academy brought our community together, showcasing the powerful family engagement that defines our school. Parents connected with community leaders to discuss nurturing academic growth, effective parenting strategies, family-school bonds, and student well-being. The Minnesota Department of Health provided valuable insights on measles prevention, highlighting the importance of health in student success. Parents learned about Skyline's programs and had the chance to engage directly, while students enjoyed interactive activities in the gym, fostering teamwork and creativity. It was an inspiring evening of learning, connection, and joy—a celebration of the Skyline family. Thank you to everyone who made it a success!

VI. Treasurer Report

A. Financials Report and Update

Mr. Abdi presented the financial report during the meeting, highlighting that Skyline Math and Science Academy is in a stronger financial position compared to this time last year, with higher student enrollment contributing to the improvement.

B. Approve Financial Report

Action Item:

Motion: Move to approve the financial report for September.

Made by: Y. Abdi

Seconded by: A. Mohamud
